Staff & Student Showcase: An Evening of Performance

Come experience the creative talents that our students and staff possess! Spotlight counselors and participants have put together a variety of pieces that incorporate drama, comedy, improv, music and dance into one unforgettable evening. Please join us!

The Spotlight Program is a place that fosters the development of social-emotional competence and confidence. Our program provides an array of opportunities and therapeutic services for youth ages 6-22 who struggle to navigate the social world.

**Friday, January 27th, 2012
7:00 - 9:00 pm
Hogan Regional Auditorium
